

# MEMORANDUM

**Date:** Monday, May 17, 2021  
**To:** AVANCE-Houston Parents and Program Participants  
**From:** Luz Flores, Executive Director  
**Subject:** **Update: Use of Masks at AVANCE Facilities**

---

Dear parents and program participants,

The CDC recently announced that fully vaccinated people can resume activities without wearing a mask or staying 6 feet apart, except where required by federal, state, local, tribal, or territory laws, rules and regulations, including local business and workplace guidance.

In an effort to continue providing the highest level of safety possible, AVANCE-Houston will keep operating under our current policy of requiring the use of masks in our facilities and centers at all times. Our internal COVID-19 safety committee meets regularly, and will make future operational recommendations based on new developments and CDC guidance.

The health and safety of all of our students and staff is of top priority. We will monitor and update COVID-19 protocols as needed.

If you have any questions please contact your center administrator.

Stay well and be safe,

Luz E. Flores.
